

**L. JACKSON**, Sworn for the State. I am a Methodist preacher. I have known Annie Maud Carter and her mother, 6, 7 or 8 years. I am personally acquainted with the general character of Julia Carter, the mother Annie Maud Carter. Julia Carter is a good woman and has a good reputation. I am also well acquainted with the general character. I could not under any circumstances believe her on oath. She has been constantly in the courts for robbery, stealing and other crimes.+
